

Safety Newsletter

December 2023

In this issue you will find updates on:

- Safety Office General Updates • Safety Office Staff Updates
- Safety Office Training Information • Communicable Diseases
- Physical Safety • Accident / Incident
- Audits • Biological Safety

The University Safety Office has published the [December 2023 Safety Newsletter](#). The aim is to publish the newsletter quarterly with the contents covering relevant health and safety publications, Safety Office staff changes, and new or revised health and safety advice.

While primarily aimed at Departmental Safety Officers, Departmental Administrators and Heads of Departments, it will also be of interest and relevance to everyone.

All past and future issues can be accessed on the [Safety Office website](#).
