Terms of Reference

1. Ensure significant safety risks are being managed effectively.
2. Develop actions to meet University and Departmental safety objectives.
3. Develop a programme of active monitoring (visits, checks and inspections) and the recording of significant findings and improvement actions.

4. To approve policy, standards, guidance and strategy for the management of health and safety at work within the Department and compliance with health and safety legislative and other requirements.
5. Determine actions necessary to address areas of non-compliance where there is significant risk.
6. Establish communication and consultation arrangements with staff, students and, where appropriate, local Trade Union safety committees.
7. Monitor and review health and safety performance through reporting, which should include:
 - a. Progress against health and safety action plans.
 - b. Accidents and incidents trends, investigations and lessons learned.
 - c. Work related ill-health statistics and trends.
 - d. Analysis from active monitoring, including safety tours, responsibilities and risk assessments.
 - e. Key risks and issues.
 - f. Health and safety training needs and completion of courses.
 - g. Issues to be escalated to Academic Committee.
 - h. Issues to be escalated to the University of Cambridge (UoC) HSEC (for matters of UoC policy and standards or those affecting UoC more widely).
8. Establish effective communication and co-operation arrangements with other parties in shared workplaces.

Meetings

The committee will meet four times in each academic year, so approximately at three month intervals.

The Committee will have a written agenda with standing agenda items (see Appendix 2).

Committee meeting minutes will be published on the staff intranet/Departmental Safety Office website following acceptance, along with dates of future committee meetings.

The Chair is appointed by the Head of Department (HoD) and has the delegated authority of the HoD. From time to time the committee may invite additional persons to attend meetings who have special expertise in a subject to be discussed.

The Committee's Terms of Reference will be reviewed annually by the Committee.
